

Welcome Home & Holiday Party

December 2 was a joyous day for our LAPA families as we celebrated the holiday season and welcomed home 3 children. Our holiday party was filled with food, fun and music. Everyone had a wonderful day. Santa came to visit the children and bring them each a gift to start their holiday celebrations. What a great time for all the kids and the kid in all of us. We also welcomed home three children to our LAPA family: Catalina and Mateo from Guatemala and David from Colombia. Welcome home to the new arrivals and their families.
